

SOUTH GLOUCESTERSHIRE COUNCIL
(Various Roads - Bradley Stoke Way Area - Uni-Directional, Bradley Stoke)
(Temporary Prohibition of Use by Vehicles, Foot Passengers, Pedal Cycles and
Equestrians) Order 2026

Notice is hereby given that South Gloucestershire District Council in pursuance of the provisions of section 14 of the Road Traffic Regulation Act 1984 as amended intends to make an order the effect of which will be to close, temporarily, to vehicles, foot passengers, pedal cycles and equestrians the lengths of road specified in column 1 of Schedule 1 to this notice.

This order is required for the following reason: in connection with the likelihood of danger to the public consequent upon CRSTS Active Travel works on or adjacent to the highway. The order will be operative from 9 January 2026 for a maximum period of eighteen months. The closure however may not be implemented for the whole of the period but only when traffic signs are in position and only for so long as is necessitated by the works. It is anticipated that the works at each location will be carried out on the dates specified in column 2 of the said Schedule. See Schedule 2 for **alternative routes**.
