Dear Supporters

Your sponsor puppy Jack is nearly nine months old and I am delighted to share the latest update on his progress with you. Due to a change in the personal circumstances of his socialiser Shirley, Jack had to move to a new socialiser, Helen, back in October and is happily settled with her in Warwickshire.

We train assistance dogs to help children and adults with all sorts of challenges, including autism, disabilities, special educational needs and dementia. The potential to do good is extraordinary and your support in helping us to do this is so appreciated.

I hope you are enjoying following Jack's progress and once again would like to take this opportunity to thank you for your support.

With my very best wishes.
