Dear resident,

Important information about roadworks in Bradley Stoke

Thank you for your continued patience whilst we work to deliver improvements for drivers, pedestrians, public transport users and cyclists in Bradley Stoke.

For the latest information, we recommend subscribing for email updates:

www.a38andbswactivetravel.commonplace.is

Programme of works: March to September 2026

In this letter, you will find information about works taking place between March and September on:

- Bradley Stoke Way (between Savages Wood Roundabout and Patchway Brook Roundabout)
- Savages Wood Roundabout
- Patchway Brook Roundabout

Thank you for your continued patience. We recognise the impact of ongoing works on communities and would like to reassure you that we are doing everything possible to deliver works on time and with as little disruption to residents and road users as possible.

INFORMATION FOR BUS USERS

Changes may be made to scheduled services because of these works. Please visit www.firstbus.co.uk for the latest bus travel information.

BRADLEY STOKE WAY

Work began in January and is continuing along Bradley Stoke Way, between Savages Wood Roundabout and Patchway Brook Roundabout, until the end of September. This includes installation of a segregated cycle track, new pedestrian footpath and upgraded crossing facilities.

- **Time of work:** Mainly daytime working, occasional overnight works.
- **Noise:** Moderate noise and vibration expected.
- **Impact:** Minimal impact expected for drivers as work takes place within the bus lane. The pedestrian path will be closed until September 2026, with a recommended diversion route in place via Brook Way (see Map 1).

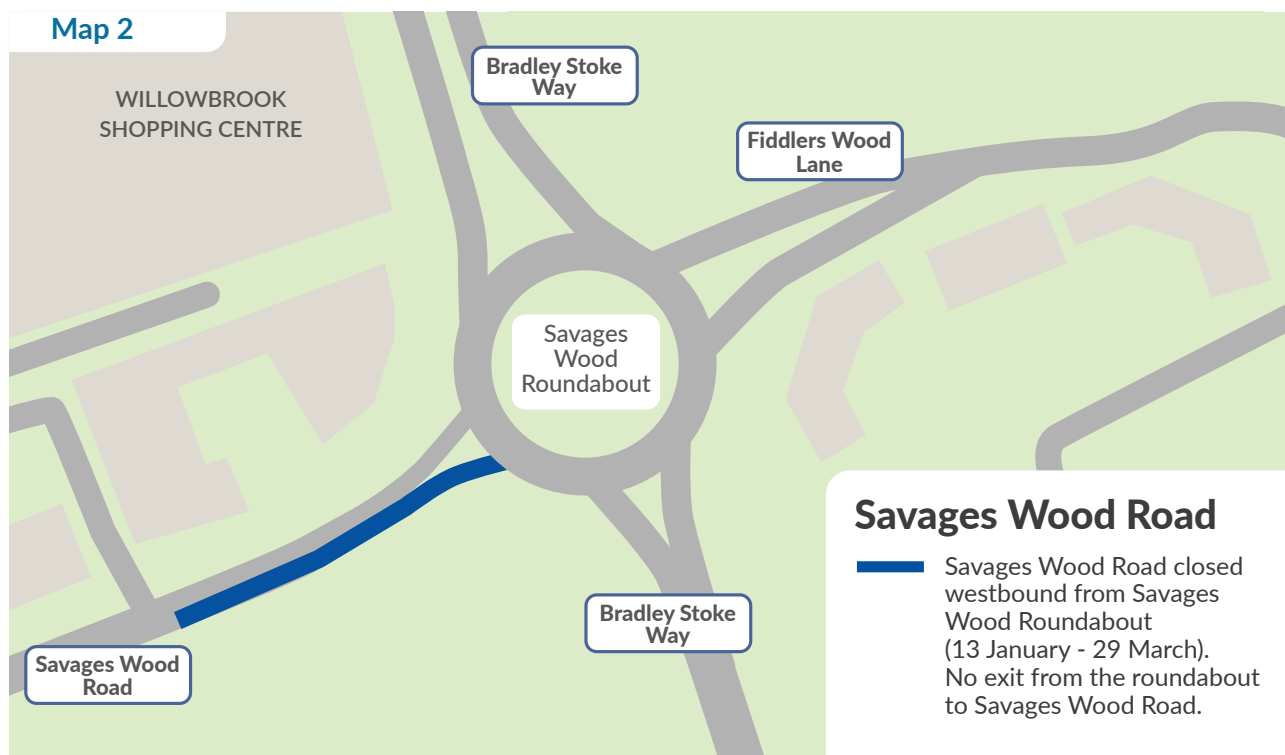

SAVAGES WOOD ROAD

Until end of March 2026

Work is continuing on Savages Wood Road (at the junction of Savages Wood Roundabout) until the end of March. This is for installation of the shared use path and toucan crossing.

- **Time of work:** Mainly daytime working, occasional overnight works.
- **Impact:** No access for vehicles from the roundabout to Savages Wood Road (see Map 2). Diversion in place via Brook Way. Exit from the Savages Wood Road to the roundabout is unaffected.
- **Noise:** Moderate noise and vibration are expected.

BOWSLAND WAY

28 February to 2 March

- **Works:** Overnight closure of Bowsland Way junction with Patchway Brook Roundabout for three consecutive nights. No entry or exit to the roundabout from Bowsland Way.
- **Time of works:** Overnight only, between 8pm and 6am.
- **Purpose:** To switch the one-way system and prepare for the next stage of work, including installation of safety barriers.
- **Impact:** No impact on traffic during the day, however possibility of delays overnight (between 8pm and 6am). Diversion is via Pear Tree Road, Woodlands Lane and Trench Lane.
- **Noise:** Moderate noise and some vibrations are expected.

2 March to April 2026

- **Works:** Closure of Bowsland Way (westbound) at the junction of Patchway Brook Roundabout for installation of footpath, cycle track and puffin crossing.
- **Time of work:** Mainly daytime working, occasional overnight works.
- **Impact:** No vehicle access to the roundabout from Bowsland Way from the roundabout (see Map 3). Diversion in place via Pear Tree Road, Woodlands Lane and Trench Lane. Entry to Bowsland Way from the roundabout from is unaffected.
- **Noise:** Moderate noise and vibration expected.
