Be Green: use your library (and save money too)

Borrowing a great read for free is a greener alternative to buying. Library books love to be re-read and re-used to reach as many people as possible.

There's no charge to reserve items from our **catalogue of over 2 million items**. If it's in a LibrariesWest library, you can have it delivered to a library of your choice without paying a penny. Search the catalogue and reserve online at **www.librarieswest.org.uk** or on the **free LibrariesWest app** or ask staff.

You will need your library card number and PIN.

Don't know your PIN? Go to **www.librarieswest.org.uk**, select log in, use the forgot my PIN option and an email will be sent to the email address we hold for you.

Not yet a library member? It's free to join, find out more at **www.southglos.gov.uk/libraries**

Open Access Hours (Unstaffed)

Use the library when staff aren't there with Open Access

Open Access is our system that lets you into library buildings at times when they are not open with staff. Library members can complete a quick one-off Open Access induction session to register to use Open Access. You can then let yourself in during Open Access hours when staff are not working.

During Open Access you can use our free wi-fi and computers, including printing. Access online e-resources; collect reservations, issue, return and renew items and pay charges using the self-service kiosks. Use the library to meet others, read and study.
