

# News For All Members

Four Towns and Vale Link Community Transport are very pleased to announce that we will be offering free membership for the year from April 2021. This will be for our existing members (who paid last year) from the April renewal date.

For each new member there will be no change in the fee this year. Its only £15.00 to join, with group membership remaining at £20.00 for a full year.

We would like to say a massive thank you to you all for using the service over the years and helping to support the Charity. We are here to help, give us a call on the number below and we will do our best to help you with your travel needs.

For any further details about our services or future plans please do not hesitate to get in touch, as we have a wide range of vehicles including fully accessible minibuses for use by the community.
